THE MADRAS VETERINARY COLLEGE PROSPECTUS.

As there appears reason to believe that intending students for employment in Government service are in many cases not aware of the existence of the Madras Veterinary College and of the prospects offered by a veterinary career, the following prospectus of the college is published for general information. The rules of the college and the scale of the pecuniary and the subordinate veterinary service are liable to be altered if need requires at any time.

1. The college affords theoretical and practical instruction in subjects appertaining to the veterinary profession with the object of training men for service under Government, Municipality, Local Board or private employers. The staff of the college consists of a Principal, an Assistant Principal, three lecturers and a subordinate establishment. The responsibility for the discipline and management of the college is vested in the Principal who is subject to the control of Board of Revenue. Full sized and other facilities are afforded to meet the educational requirements of students preparing for the diploma in Veterinary Science. A veterinary hospital, museum, library, shooting range and students' hostel are situated in the college.

2. Candidates are eligible for admission without distinction of caste or nationality. They must not be under 15 years of age at the commencement of the term for which admission to the college is desired. In ordinary circumstances, no person over 15 years of age will be admitted as a free student. Students are admitted to the college by admission which will be made by the Principal. Applications for admission should be made in writing on the prescribed form placed at the end, and they should be submitted so as to reach the Principal not later than the 15th December of each year and should be accompanied by the following certificates:—

- (a) of age,
- (b) of physical fitness and good character,
- (c) that the applicant has passed the Matriculation Examination of an Indian University or that he has obtained 45 per cent. of marks in English and 50 per cent. in other subjects in the Madras Final Examination, except in the case of Europeans and Eurasians who may be admitted, though required, at the discretion of the Principal.

3. In the event of a candidate being selected, he will be served with a special notice requiring him of the particular day and hour when and the place at which he should present himself for personal selection. Candidates thus admitted will be considered to be on probation for the first two months of the course and may be removed if found to be not satisfactory.

4. Course and study and conditions of instruction.—The course of study for the diploma ordinarily extends over three years. The students of each year's course form a separate class. The number of students in each class is ordinarily limited to 50. Provision is made for one student to another in touch with reference to the results of the annual examinations. A student who fails in the class examination for two consecutive years shall be removed from the college.

The curriculum of instruction is as follows:—

- (i) First year—
 - (1) Anatomy (up to Arthrology).
 - (2) Elementary Chemistry.
 - (3) Elementary Botany.
 - (4) Materia Medica.
 - (5) Handling of animals.
 - (6) Veterinary (Theoretical and Practical).

During this year students are given practical instruction in surgery, dressing, bandaging, castrating and shoeing animals as well as in the names of the instruments and appliances used in ordinary practice.

- (ii) Second year—
 - (1) Anatomy (the whole, including Comparative Anatomy).
 - (2) Physiology.
 - (3) Hygiene (including Breeding and Rearing).
 - (4) Principles of Horse-dressing.
 - (5) Theoretical Veterinary Medicine and Surgery.
 - (6) General nursing and instructions in the use of instruments and appliances.

During this year students are required to attend hospital practice and receive clinical instruction. They are also required to attend at the Range and Poultry, to carry out dissections and to perform operations on the dead subject.

- (iii) Third year—
 - (1) Equine Medicine and Surgery.
 - (2) Bovine and Ovine Medicine and Surgery (including Obstetrics).
 - (3) Diseases of dogs.
 - (4) Operative Surgery.
 - (5) Therapeutics (including Zootechnique).
 - (6) Meat and milk inspection.
 - (7) Soundness of horses and appling of disarticulated animals.

During this year students are required to perform the duties of clinical clerk and dresser, to perform operations on dead subjects, and afterwards on living animals, to conduct post mortem examinations and generally to carry out profitably all the duties appertaining to their profession. Students who hold the diploma in Agriculture are not required to attend the first year's course of study, but are engaged in the subjects at both the first and second year course at the end of their fifth year of attendance at the Veterinary College.

Students who have passed in Chemistry or Botany in the Intermediate or B.A. Examination need not attend the course in Elementary Chemistry or Botany, as the case may be, at the Veterinary college.

All students are required to undergo a course of registration and graduation. A student completing himself without leave from a lecture or from a practical gymnastic or riding class, is liable to be fined.

3. The tables shall be sent to all students who execute an agreement binding themselves to serve Government for five years, if required, after completing their course in the college satisfactorily. All others will be required to pay tuition fees in advance of each term at the rate of Rs. 240 per annum. A fee of Rs. 2 per term is also payable by each student, whether free or paying, to meet the cost of reports.

4. Government annually allot twenty scholarships in each class annually, two of the monthly value of Rs. 50 each, which will be reserved for graduates of a University previously shown who have taken a Baccalaureus degree, and the remaining eighteen of the monthly value of Rs. 10 each, but they reserve the right to diminish the number or alter their value, if necessary. Scholarships in the first year will be awarded by the Principal on the results of the first three monthly examinations. Scholarships tenable in the second and third years are not awarded on the results of the monthly and annual examinations. A student already in the enjoyment of a scholarship from a local body or a private person is not eligible for a Government scholarship. All scholarships are conditional on the good behaviour of the holder. Students who are in the enjoyment of the Government scholarships are required to attend the course which they have received as stipends and also to pay tuition fees at the rate of Rs. 240 per annum, if they leave the college without sanction or are expelled for misconduct.

5. Terms and fees.—Each year comprises two terms—a spring session from January to March and an autumn session from July to December. Tables of the terms and subjects of lectures in which both teachers and students should adhere will be posted on the notice board at the commencement of each term.

6. Festivals and holidays.—(1) In addition to the miscellaneous public holidays, the students are allowed the following vacations and holidays:—

- Hindu festival months (three months),
- Christian holidays (one week),
- Christmas and Easter holidays (granted).

Students are required to attend hospital cases in term during vacations.

(2) Leave of absence is granted by the Principal only. Scholarship-holders may, at the discretion of the Principal, be granted casual leave, with advancement, for not more than five days at a time or ten days in the year, but no casual leave will be granted in continuation of other holidays with advancement. Any further leave to scholarship-holders except sick leave for a month will be subject to the approval of the authorities. Leave of absence in such case if given will be recognised only on the production of a certificate from a duly qualified medical practitioner.

7. Examinations.—Examinations are conducted only and are held annually in December or at the college. For entrance to the examination students must have studied at the college for each term or may be permitted and have attended at least three-fourths of the year's lectures and have done practical work of their respective classes.

8. Degrees and diplomas.—A diploma in graduation in Veterinary Science is awarded to students who have gone through the full course of three years' study at the college and have passed the final examination.

Each of the students as are elected official students and prospectors and perform their duties satisfactorily are, in addition, awarded special certificates on passing the final examination.

9. Accommodation.—The hostel attached to the college provides accommodation for twenty-three students. Students are at liberty to make their own arrangements as to their board and lodging. A monthly rent of Rs. 1 for a single room and Rs. 12 for a double room, i.e., a room accommodating two students, will be charged from each student who chooses to take up his lodging in the college hostel.

10. Progress of students who pass out of the College.—Graduates of the college are eligible for appointment to the following posts in the provincial and subordinate services of the Civil Veterinary Department in the Madras Presidency:—

		RS.
Deputy Superintendent or Lecturer and Assistant Principal of the College as pay varying from	Rs. 40—4—100 to	200—0—400
Veterinary Inspector (First Grade) on	Rs. 100—4—150	250—0—400
Do (Second Grade) on	Rs. 80—0—100	100—4—150
Veterinary Assistant (First Grade) on	Rs. 75—0—85	50—0—75
Do (Second Grade) on	Rs. 50—0—75	50—0—75
Do (Third Grade) on	Rs. 50—0—75	50—0—75

NOTE.—The intermediate figure in each case represents the amount of actual increment.

Veterinary Assistants when holding independent charge of hospitals and dispensaries whether maintained by Government or by Local Boards and Municipalities will be paid a local allowance of Rs. 12 per month each. While so employed, they will also be provided with free quarters or granted in lieu thereof a house-rent allowance not exceeding Rs. 4 per month.

Intervening Veterinary Assistants are paid a local allowance of Rs. 6 per month each. The intervening Veterinary Assistant posted to work on the Nilgiris gets an allowance of Rs. 12 per month.

All the above posts are post-graduate. Veterinary graduates have, in addition, full prospects of employment as Municipal Cattle Inspectors and as Assistants in charge of Veterinary Dispensaries established by local bodies, private proprietors and Native States. It will be the duty of the Principal to render all reasonable assistance to passed students in securing suitable employment.

LEASE OF UNFRUITS OF COCONUT TREES FOR TENDER-DRAWING
 FOR ONE YEAR.

A public auction for the lease of coconut trees in the compound of the General Hospital, Madras, for tender-drawing for a period of one year commencing from 1st October 1914 will be held in the presence of the General Hospital on Tuesday the 2nd September 1914 at 2 p.m. by the Medical Officer.

1. Persons who desire to bid at the auction shall deposit as security Rs. 50 beforehand.

2. The lease will be awarded to the highest bidder subject to the condition that the bidder either will reserve to himself the right of offering his highest bid or any bid without engaging himself to do so and his deposit will be lost.

3. The successful bidder shall pay at once half the amount for which the usufruct of coconut trees has been sold and bought in by him and shall pay the remaining half in five monthly instalments.

4. The deposit of unsuccessful bidder shall, at the close of the auction, be returned to them.

5. The successful bidder shall, within three days of the auction, execute the agreement in the form appended below binding himself to the following conditions in the enjoyment of the usufruct of coconut trees which the sale will become void and the lease will be made at his risk and he shall forfeit his deposit.

6. Upon a complete fulfilment of the above conditions, the deposit made by the successful bidder will either be adjusted towards the last instalment due by him or be returned to him if he so desires.

FORM.

AGREEMENT MADE IN THE LEASE OF UNFRUITS OF COCONUT TREES IN THE COMPOUND
 OF THE GENERAL HOSPITAL, MADRAS.

This Agreement entered into by _____ residing at door No. _____ street
 in the village of _____ Madras taluk, with the Senior Medical Officer, General Hospital
 Madras.

The lease for one year commencing from 1st October 1914 of the usufruct of coconut trees standing in the compound of the General Hospital, Madras, being Government property having been sold and bought in by me at a public auction held on the _____ day of _____ 1914 for Rs. _____ (in words) _____ which amount has been paid by me in full.

I agree to bind myself to the following conditions in the enjoyment of the usufruct of coconut trees:—

- (1) I shall reserve from cutting as every coconut tree the tender leaves bearing at least nine more than a long stem.
- (2) I shall allow the trees to be tapped and toddy to be drawn only by licensed tappers.
- (3) I shall be entitled to up trees and to cut leaves subject to them (1) and (2) and garden ornaments.
- (4) I shall not be entitled to cut trees less than 4 feet in height.
- (5) I shall not be entitled to compensation for any trees withdrawn from the operation of the lease or taken for public purposes.

The Standard Barometer and Thermometer are read at 8 A.M., 10 A.M., 2 P.M., and 8 P.M., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The station of the Barometer is twenty-two feet above the level of the sea, and the measure of the Rain Gauge is two feet from the ground. The wind, rain and general weather registered are for the nearest Civil Day—from midnight to midnight.

The total quantity of rain collected was January 1st to 31st 1894 inches, the average due for the same period being 10.00 inches.

R. L. JONES,
Deputy Director.
